Dear Sir/Madam

TO WHOM IT MAY CONCERN – Re – Testimonial for Chalan Africa

We have been utilising the services of Chantell McBain-Charles for the past six years and have been requested to provide a written testimonial.

We have really had an on-going professional service from airport transfers to large student groups visiting from the UK.

In all instances, we know that they are equipped to ensure that our visitors are safe, looked after in a professional manner and shown the "real" Capetown – the touristy places and the heart of the diversity too. Had we been dissatisfied, we would have looked for other alternative businesses. So it says something that we only refer to them.

Afri Twin is the Capetown based organisation that has partnered schools between the Western Cape and the UK for fourteen years, in conjunction with support from the British Council SA. We are now extending our partnering to include other countries in Africa such as Zimbabwe, Namibia, Malawi.

Please do not hesitate to contact us for any further information on 0725907621

Yours Sincerely

JAYNE MARTIN
