BUSINESS TESTIMONIAL -ChantellMcBain- Charles

I confirm that I have known the above applicant for approximately 2 years, initially through the DEAT Mentorship scheme, which more recently has developed into an agreed direction in respect of a potentially, mutually beneficial, Business relationship.

This has resulted from my gradual assessment of Chantell as possessing qualities of a high standard regarding service ethics, and a strong desire to develop her own Business skills, and experience.

The former has been proven when provided with the opportunity to prove her Tourist Guiding expertise with Tours assigned to her by Evergreen Excursions, and subsequent positive feedback from the clients themselves.

The latter has clearly been identified during the many formal mentorship interventions that have taken place under the auspices of the DEAT Mentorship scheme, combined with the early experiences of developing her own Business in the name of **Chalan Africa Tours & Travel**.

As owner of Evergreen Excursions, I am confident that given effective support, and encouragement, Chantell has an excellent chance of succeeding in her chosen Business direction, and I have no hesitation at all in supporting her application for recognition in terms of the Western Cape Entrepreneurship Recognition Awards scheme.

Yours Sincerely,

Mervyn Sparks AIAC
